

Main Pages for the website-

1. **Home** - will contain info about ECell NITS.
---> would suggest adding a picture of NITS Startup centre on the landing page.
2. **Team** - info about team members and a message from the President,VP and associated faculty members.
3. **Event Highlights** - Picture gallery of our main events (separate sections for tecnoesis and srijan).
---> more focus should be over the events of srijan (including pictures).
---> Orientation programme can also be included.
4. **Collaborations** - info about our initiatives and collaborations. (can include sponsor info too, if any).
---> recent collaborations with assam startup , etc can be mentioned here.
5. **Contact Us** - Links to our social media handles. A feature to write messages over the page which will be sent directly to our official mailing address.
